Driven by our mission to transform lives through education, research, innovation, and service, this comprehensive strategic plan will guide us along new avenues of opportunity across geographic, cultural, and intellectual borders. I invite you to learn more about the Roadmap to Our New Century at roadmap.miami.edu.

I look forward to seeing you on our campuses and hearing about your accomplishments as part of the 'Canes family.

Sincerely,

Welcome to 5 to Thrive

This exciting initiative will optimize patient access and the patient experience, ensure that our medical center is a great place to work, and facilitate our continued growth and success. We have selected five key areas and goals that, when achieved, will provide the foundation necessary for UHealth to continue to reach its full potential as a preeminent health system for the 21st century. 5 to Thrive is a commitment to excellence!

PEOPLE - We are committed to bringing together the most compassionate and skilled health care providers, creating an optimum work environment that makes UHealth an employer of choice in our community.

SERVICE - We are committed to exceeding our patients' expectations throughout the care process, from making the initial appointment through their clinic visit or hospitalization to aftercare interactions with us.

QUALITY - We are committed at every point in every day to delivering a patient experience and clinical outcomes that are unmatched.

GROWTH - We are committed to expanding and increasing clinical services to make superb health care more convenient and available to our growing patient population.

FINANCE - We are committed to continuous investment in growing and improving clinical programs and services to better care for our patients.

These are ambitious, important, and achievable goals for us, and will require our collective commitment in order to meet our shared vision for true pre-eminence, where outstanding and innovative care is linked to a superb patient experience. All of us at UHealth are involved in this process, which will be transformative for our medical center. I invite you to join us on this journey.

Employee Only	\$84.47	\$0	\$0

NOTE: All premiums shown are monthly for full-time UMMG members who are non-smokers and whose spouses do not have access to employer-sponsored health insurance.

There is a \$350 monthly spousal surcharge, which allows you to cover a spouse who has access to their own employer-provided medical plan. Before making your decision, we encourage you and your spouse to carefully consider the benefits of UM's plan against your spouse's own employer-provided plan. If your spouse does not have access to employer-provided medical insurance, please indicate this in Workday to avoid the monthly \$350 spousal surcharge.

There is a \$100 monthly smokers surcharge, which applies to you and/or your covered spouse covered under the UM/Aetna medical plan. Through the BeSmokeFree program, you can get the help you need to quit smoking for free. Visit miami.edu/besmokefree for details. If you and/or your spouse do not smoke, please indicate this in Workday to avoid the \$100 per person monthly surcharge for both you and your spouse.

2. You have the option of using an out-of-network provider, but your charges will be subject to balance billing.
3. The first \$400 of eligible medical and Rx expenses are covered by the HRA fund with the exception of Carisk copays. Preventive care services will not be deducted from the \$400 HRA fund.
4. Inpatient hospital services include semiprivate room, ancillary service, physician fees/visits, and inpatient surgery.
5. Emergency room copay is waived if admitted to the hospital.
6. Coverage for high-end imaging (MRI, PET, and CT scans) is available exclusively at UHealth. Coverage is available outside of UHealth only under certain circumstances such as imaging for children ages 13 and under, imaging performed outside of Miami-Dade/Broward counties, within an emergency room or during an inpatient hospital stay, concurrent with radiation therapy for daily placement, or when open or standing MRI is required.

Out-of-Area HRA: If your home address is outside of Miami-Dade/Broward counties, this plan will appear in Workday for you. In this plan, you will pay the lower UHealth copay at any Aetna provider.

Save money on health care

If you don't have to pay the highest premium for your health care plan, don't. All three of the UM/Aetna health care plans offer the same benefits. The only difference is the monthly premium and how you pay for eligible medical expenses. If you need help comparing the plans, call the Total Rewards team at 305-284-3004.

Take advantage of **free preventive care screenings**, from well-child visits to annual physicals, well woman exams, and colonoscopies. They may not be fun, but at least they're free, and they may help spot something before it becomes a problem.

Ask **"are you in-network?"** By using practitioners who are in-network, you can be sure to pay your copay and deductible, and not a penny more. Also make sure the lab and specialists you visit are in-network, even if your in-network practitioner refers you to them. Aetna plan members can visit UHealth and Quest labs for routine tests and blood work for free.

Get a **free flu shot** to minimize your chances of getting sick. Free flu shots are offered during flu season at the annual Total Rewards fairs, Healthy 'Canes Employee Clinics, and UHealth at Walgreens.

Prescription Drugs

Prescription drugs are covered in the UM/Aetna medical plan through OptumRx. Once enrolled in the UM/Aetna medical plan, you will receive a joint Aetna/OptumRx medical ID card. This card should be used when picking up your prescriptions. Each medical plan covers the same prescription drugs, and costs are determined by the four-tier structure below. If the cost of the prescription is less than the copay, you pay the lesser amount.

In the HRA plan, copays apply only after you have met your deductible.

Visit [OptumRx.com](https://www.optumrx.com) to view a list of covered drugs and costs.

Tier	Cost	Description
Tier 1	\$10	Covered preferred generic medications (not self-injectable)
Tier 2	\$45	Covered preferred brand name medications (not self-injectable)
Tier 3	\$75	Covered non-preferred generic and brand-name medications (not self-injectable)
Tier 4	\$100	Preferred and non-preferred self-injectable drugs covered by prescription benefits. Insulin is covered under Tiers 1, 2, and 3 (tier depends on type).

If you are taking a maintenance medication — any medication taken in the same dosage for more than 90 days — you can save money and avoid a penalty by filling your prescription in a 90-day supply at a Walgreens retail pharmacy or through OptumRx Home Delivery.

If you fill your maintenance medications monthly (in 30-day increments), your copay will increase by 2½ times after the second filled 30-day prescription. See below.

Tier 2 Rx Example	Local Retail Pharmacy (Monthly Cost, 30-Day Supply)	OptumRx Home Delivery or Local Walgreens Pharmacy (Average Monthly Cost, 90-Day Supply)
First 30-Day Fill	\$45.00	\$37.50
30-Day Refill #1	\$45.00	\$37.50
30-Day Refill #2	\$112.50	\$37.50

NOTE: Cost increase reflects permanent change in copay for this and all additional refills of the same medication for 30-day supplies at a local retail pharmacy. 90-day supplies can be obtained only at Walgreens or through OptumRx Home Delivery. If the cost of your medication is lower than the copay, you pay the lower cost.

copays by filling

medications at

Flexible Spending Accounts

Enrolling in a flexible spending account is a smart way to budget for expenses such as child care, prescription drugs, or contact lenses. You can allocate your eligible expenses over 12 months and save up to \$25 on every \$100 spent because you are paying with pre-tax dollars.

HEALTH CARE FSA

Set aside pre-tax dollars to pay for your family's eligible health care expenses, up to \$2,700 per year. You will receive a WageWorks Visa card in the mail for use on eligible health care expenses at approved merchants, including pharmacies, physicians' offices, and hospitals.

DEPENDENT CARE FSA

Set aside pre-tax dollars to pay for eligible dependent day care (or night care) costs, including care for elderly parents, up to \$5,000 per year (based on tax filing status). The maximum election for employees earning \$115,000 or more is \$2,500 per year.

If married, both you and your spouse must be working in order for dependent care expenses to be reimbursable. Eligible dependents include your child or stepchild (under the age of 13), a child of any age who is physically or mentally incapable of caring for themselves, or elderly persons who are financially dependent upon you.

Visit wageworks.com for more information and to confirm dependent and expense eligibility.

2019 DEADLINES	HEALTH CARE FSA	DEPENDENT CARE FSA
Incur Eligible Expenses By	March 15, 2020	March 15, 2020
Submit Claims By	June 15, 2020	June 15, 2020

Note: Funds not used by the deadline dates listed above will be forfeited.

Health Reimbursement Account

Aetna Health Reimbursement Account (HRA) medical plan participants will receive a WageWorks Visa card pre-loaded with a University-provided fund (\$400 per person; up to \$1,200 per family). The funds may be used on eligible medical and pharmacy expenses.

Participants may register at wageworks.com to view their HRA fund account balance and transaction history, manage preferences, and more.

SPECIAL NOTE

If you participate in both the Aetna HRA medical plan and a health care FSA, you will receive one WageWorks Visa card with both HRA and FSA funds on the card. HRA funds will be used for eligible medical and prescription expenses before flexible spending account funds are utilized.

Understanding the HRA

THE UNIVERSITY PROVIDES A **\$400 FUND PER PERSON (MAX \$1,200 PER FAMILY)** FOR YOU TO USE ON MEDICAL AND PHARMACY EXPENSES EACH YEAR. THE FUND, ADMINISTERED BY WAGeworks, HELPS YOU PAY FOR YOUR DEDUCTIBLE (**\$1,500 INDIVIDUAL/\$4,500 FAMILY**).

EACH TIME YOU VISIT THE DOCTOR OR PHARMACY, YOU CAN PAY YOUR BILL USING THE HRA FUNDS ON YOUR WAGeworks VISA CARD. YOU WILL BE BILLED AT THE NEGOTIATED RATE.

ONCE YOUR FUND IS DEPLETED, YOU PAY THE NEGOTIATED RATES FOR YOUR MEDICAL AND PHARMACY EXPENSES ON YOUR OWN UNTIL YOUR DEDUCTIBLE IS MET.

ONCE YOUR DEDUCTIBLE IS MET, YOU PAY COPAYS FOR YOUR MEDICAL AND PHARMACY EXPENSES.

Note: If you participate in a health care FSA, you can use your FSA dollars (pre-loaded onto your WageWorks Visa card) to help pay for medical and pharmacy expenses after your HRA funds are depleted.
