NOTE: All premiums shown are monthly for full-time employees who are non-smokers and whose spouses do not have access to employer-sponsored health insurance.

There is a **$350** monthly spousal surcharge, which allows you to cover a spouse who has access to their own employer-provided medical plan. Before making your decision, we encourage you and your spouse to carefully consider the benefits of UM’s plan against your spouse’s own employer-provided plan. If your spouse does not have access to employer-provided medical insurance, please indicate this in Workday to avoid the monthly $350 spousal surcharge.

There is a **$100** monthly smokers surcharge, which applies to you and/or your spouse covered under the UM/Aetna medical plan. Through the BeSmokeFree program, you can get the help you need to quit smoking for free. Visit [miami.edu/besmokefree](http://miami.edu/besmokefree) for details. If you and/or your spouse do not smoke, please indicate this in Workday to avoid the $100 per person monthly surcharge for both you and your spouse.

1. A UM physician, UM facility, or Jackson Health System facility.
2. You have the option of using an out-of-network provider, but your charges will be subject to balance billing.
3. The first $400 of eligible medical and Rx expenses are covered by the HRA fund with the exception of Carisk copays. Preventive care services will not be deducted from the $400 HRA fund.
4. Inpatient hospital services include semiprivate room, ancillary service, physician fees/visits, and inpatient surgery.
5. Emergency room copay is waived if admitted to the hospital.
6. Coverage for high-end imaging (MRI, PET, and CT scans) is available exclusively at UHealth. Coverage is available outside of UHealth only under certain circumstances such as imaging for children ages 13 and under, imaging performed outside of Miami-Dade/Broward counties, within an emergency room or during an inpatient hospital stay, concurrent with radiation therapy for daily placement, or when open or standing MRI is required.
Save money on health care

If you don’t have to pay the highest premium for your health care plan, don’t. All three of the UM/Aetna health care plans offer the same benefits. The only difference is the monthly premium and how you pay for eligible medical expenses. If you need help comparing the plans, call the Total Rewards team at 305-284-3004.

Take advantage of free preventive care screenings, from well-child visits to annual physicals, well woman exams, and colonoscopies. They may not be fun, but at least they’re free, and they may help spot something before it becomes a problem.

Ask “are you in-network?” By using practitioners who are in-network, you can be sure to pay your copay and deductible, and not a penny more. Also make sure the lab and specialists you visit are in-network, even if your in-network practitioner refers you to them. Aetna plan members can visit UHealth and Quest labs for routine tests and blood work for free.

Get a free flu shot to minimize your chances of getting sick. Free flu shots are offered during flu season at the annual Total Rewards fairs, Healthy ‘Canes Employee Clinics, and UHealth at Walgreens.

Prescription Drugs

Prescription drugs are covered in the UM/Aetna medical plan through OptumRx. Once enrolled in the UM/Aetna medical plan, you will receive a joint Aetna/OptumRx medical ID card. This card should be used when picking up your prescriptions. Each medical plan covers the same prescription drugs, and costs are determined by the four-tier structure below. If the cost of the prescription is less than the copay, you pay the lesser amount.

In the HRA plan, copays apply only after you have met your deductible.

Visit [OptumRx.com](http://OptumRx.com) to view a list of covered drugs and costs.

If you are taking a maintenance medication — any medication taken in the same dosage for more than 90 days — you can save money and avoid a penalty by filling your prescription in a 90-day supply at a Walgreens retail pharmacy or through OptumRx Home Delivery.

If you fill your maintenance medications monthly (in 30-day increments), your copay will increase by 2½ times after the second filled 30-day prescription. See below.

NOTE: Cost increase reflects permanent change in copay for this and all additional refills of the same medication for 30-day supplies at a local retail pharmacy. 90-day supplies can be obtained only at Walgreens or through OptumRx Home Delivery. If the cost of your medication is lower than the copay, you pay the lower cost.

Save money and avoid higher copays by filling your maintenance medications at Walgreens or through OptumRx Home Delivery.
Flexible Spending Accounts

Enrolling in a flexible spending account is a smart way to budget for expenses such as child care, prescription drugs, or contact lenses. You can allocate your eligible expenses over 12 months and save up to $25 on every $100 spent because you are paying with pre-tax dollars.

**HEALTH CARE FSA**
Set aside pre-tax dollars to pay for your family’s eligible health care expenses, up to $2,750 per year. You will receive a WageWorks Visa card in the mail for use on eligible health care expenses at approved merchants, including pharmacies, physicians’ offices, and hospitals.

**DEPENDENT CARE FSA**
Set aside pre-tax dollars to pay for eligible dependent day care (or night care) costs, including care for elderly parents, up to $5,000 per year (based on tax filing status). The maximum election for employees earning $115,000 or more is $2,500 per year.

If married, both you and your spouse must be working in order for dependent care expenses to be reimbursable. Eligible dependents include your child or stepchild (under the age of 13), a child of any age who is physically or mentally incapable of caring for themselves, or elderly persons who are financially dependent upon you.

Visit [wageworks.com](http://wageworks.com) for more information and to confirm dependent and expense eligibility.

Health Reimbursement Account

Aetna Health Reimbursement Account (HRA) medical plan participants will receive a WageWorks Visa card pre-loaded with a University-provided fund ($400 per person; up to $1,200 per family). The funds may be used on eligible medical and pharmacy expenses.

Participants may register at [wageworks.com](http://wageworks.com) to view their HRA fund account balance and transaction history, manage preferences, and more.

**SPECIAL NOTE**
If you participate in both the Aetna HRA medical plan and a health care FSA, you will receive one WageWorks Visa card with both HRA and FSA funds on the card. HRA funds will be used for eligible medical and prescription expenses before flexible spending account funds are utilized.
THE UNIVERSITY PROVIDES A $400 FUND PER PERSON (MAX $1,200 PER FAMILY) FOR YOU TO USE ON MEDICAL AND PHARMACY EXPENSES EACH YEAR. THE FUND, ADMINISTERED BY WAGEWORKS, HELPS YOU PAY FOR YOUR DEDUCTIBLE ($1,500 INDIVIDUAL/$4,500 FAMILY).

EACH TIME YOU VISIT THE DOCTOR OR PHARMACY, YOU CAN PAY YOUR BILL USING THE HRA FUNDS ON YOUR WAGEWORKS VISA CARD. YOU WILL BE BILLED AT THE NEGOTIATED RATE.

ONCE YOUR FUND IS DEPLETED, YOU PAY THE NEGOTIATED RATES FOR YOUR MEDICAL AND PHARMACY EXPENSES ON YOUR OWN UNTIL YOUR DEDUCTIBLE IS MET.

ONCE YOUR DEDUCTIBLE IS MET, YOU PAY COPAYS FOR YOUR MEDICAL AND PHARMACY EXPENSES.

Note: If you participate in a health care FSA, you can use your FSA dollars (pre-loaded onto your WageWorks Visa card) to help pay for medical and pharmacy expenses after your HRA funds are depleted.

Healthcare at UHealth

Pay lower copays. Get world-class care.

We know that the cost of health care continues to rise so it is important that we provide plan options that offer the highest-quality care and are affordable for you and your family. You will find both of these when you choose your own colleagues for care. That’s right. By choosing UHealth, University of Miami Health System providers and services, your copays and other costs decrease, and you have first-hand knowledge that you and your family are receiving the best care available in South Florida.
CARE YOU CAN TRUST

At UHealth, we have primary care, pediatricians, experts in women’s health, men’s health and virtually every medical specialty you might need. You know that we have the #1 eye hospital in the nation, as ranked for 17 years in a row by U.S. News and World Report, with our Bascom Palmer Eye Institute. Our ear, nose and throat experts were ranked in the top 10 by U.S. News. And it should be reassuring to know that should you need cancer care, Sylvester Comprehensive Cancer Center recently earned designation by the National Cancer Institute, placing it among the most elite cancer centers in the nation and the only NCI-designated Cancer Center in South Florida.

You’ll find experts in neurology, neurosurgery, gastroenterology and cardiovascular services, including robotic and minimally invasive surgery for the heart and other organs. The Sports Medicine Institute specialists care for the Miami Marlins, and our own Miami Hurricanes, and will provide that same superb care to you and the ones you love.

COORDINATING YOUR CARE

Keeping your health care within UHealth means a more coordinated approach, as doctors can collaborate and have a clear picture of your overall health. Rest assured that we take your privacy very seriously. As our clinical staff does with all patients, your records are kept confidential and private, before, during and after your health care visits as legally required by the Health Insurance Portability and Accountability Act.

OUR GROWING NETWORK

When it comes to convenience, UHealth care is closer than you think. We are already right where you work. Besides the medical campus in downtown Miami, which is also minutes away from the Rosenstiel Marine and Atmospheric Science campus, Coral Gables campus employees have The Lennar Foundation Medical Center for care. It is home to several specialties including Sylvester, Bascom Palmer, ENT, neurology, cardiology, urology, dermatology and more, and recently won the 2019 Press Ganey Pinnacle of Excellence Award for patient satisfaction.

In addition, we have primary care, multi-specialty and Walgreens locations across Miami-Dade and Broward counties and have plans to grow in the future with our SoLé Mia project in North Miami and expansion to Doral.

We understand the importance of having a trusted relationship with a primary care provider in a convenient location. We are pleased to announce the upcoming opening of several primary care practices in convenient locations with plans to further expand in the future.
