ABOUT UM
A private research university with more than 15,000 faculty and staff, and more than 16,000 students from around the world, the University of Miami is a vibrant and diverse academic community focused on teaching and learning, the discovery of new knowledge, and service to the South Florida region and beyond.

Established in 1925 during the region’s famous real estate boom, UM is a major research university engaged in more than $324 million in research and sponsored program expenditures annually. While the majority of this work is housed at the Miller School of Medicine, investigators conduct hundreds of studies in other areas, including marine science, engineering, education, and psychology.

The University comprises 11 schools and colleges serving undergraduate and graduate students in more than 180 majors and programs. In 2016, U.S. News & World Report ranked UM No. 44 among the top national universities in the country in its “Best Colleges” listings. U.S. News also cites several of its programs in “America’s Best Graduate Schools.”

In 2017, the University ranked No. 15 in Forbes list of America’s Best Employers—making it the highest-ranked University in the nation and the highest-ranked organization in Florida.

INFORMATION TECHNOLOGY
Our IT Division has various software programs to help you get the job done, and a 24-hour help desk for assistance. Almost all of your work-related tasks such as requesting time off, enrolling in benefits, and completing your performance evaluation will be done in Workday. Visit it.miami.edu for more information.

GET INVOLVED
Whether it’s volunteering in the community or visiting an on-campus museum, there are many ways to get involved. Each spring, the University sponsors a service day through Human Resources. Keep an eye out for announcements on how to participate. Also, visit the student’s Butler Volunteer Center to learn about how you can participate in student-organized volunteer opportunities. NOTE: All premiums shown are biweekly for full-time employees who are non-smokers and whose spouses do not have access to employer-sponsored health insurance.

There is a $115.38 biweekly spousal surcharge, which allows you to cover a spouse who has access to their own employer-provided medical plan. Before making your decision, we encourage you and your spouse to carefully consider the benefits of the University's plan against your spouse's own employer-provided plan.

There is a $46.15 biweekly smokers’ surcharge, which applies to adult smokers covered under the UM/Aetna medical plan. Through the BeSmokeFree program, you can get the help you need to quit smoking for free. Visit [miami.edu/besmokefree](http://miami.edu/besmokefree) for details.
All three medical plans provide the same benefit coverage. The only difference is your monthly plan premium and how you pay for your medical expenses.

Out-of-Area HRA Plan: If your home address is outside of Miami-Dade/Broward counties, the Out-of-Area HRA option will appear in Workday as an option for you. In the Out-of-Area HRA, you will pay the lower UHealth copay at any Aetna network provider.
Save Money on Health Care

If you don’t have to pay the highest premium for your health care plan, don’t. All three of the UM/Aetna health care plans offer the same benefits. The only difference is the monthly premium and how you pay for eligible medical expenses. If you need help comparing the plans, call the Total Rewards team at 305-284-3004, option 1.

Take advantage of free preventive care screenings, from well-child visits to annual physicals, well woman exams, and colonoscopies. They may not be fun, but at least they’re free, and they may help spot something before it becomes a problem.

Ask “are you in-network?” By using practitioners who are in-network, you can be sure to pay your copay and deductible, and not a penny more. Also make sure the lab and specialists you visit are also in-network, even if your in-network practitioner refers you to them. Aetna plan members can visit UHealth and Quest labs for routine tests and blood work for free.

Get a free flu shot to minimize your chances of getting sick. Free flu shots are offered during flu season at the annual ‘Canes Total Rewards fairs, Healthy ‘Canes Employee Clinics, and UHealth at Walgreens.

Prescription drugs are covered in the UM/Aetna medical plan through Optum Rx. Once enrolled in the UM/Aetna medical plan, you will receive a joint Aetna/OptumRx medical ID card. This card should be used when picking up your prescriptions. Each medical plan covers the same prescription drugs, and costs are determined by the four-tier structure below. If the cost of the prescription is less than the copay, you pay the lesser amount.

In the HRA plan, copays apply only after you have met your deductible.

Drugs may move up or down a tier in 2018. Visit [OptumRx.com](http://OptumRx.com) to view an updated list of covered drugs and costs.

If you are taking a maintenance medication — any medication taken in the same dosage for more than 90 days — you can save money and avoid a penalty by filling your prescription in a 90-day supply at a Walgreens retail pharmacy or through OptumRx Home Delivery.

If you fill your maintenance medications monthly (in 30-day increments), your copay will increase by 2½ times after the second filled 30-day prescription. See below.

NOTE: Cost increase reflects permanent change in copay for this and all additional refills of the same medication for 30-day supplies at a local retail pharmacy. 90-day supplies can only be obtained at Walgreens or through Optum Rx Home Delivery. If the cost of your medication is lower than the copay, you pay the lower cost.

Save money and avoid higher copays by filling your maintenance medications at Walgreens or through OptumRx Home Delivery.
FLEXIBLE SPENDING ACCOUNTS

Enrolling in a flexible spending account is a smart way to budget for expenses such as child care, prescription drugs, or contact lenses. You can allocate your eligible expenses over 12 months and save up to $25 on every $100 spent because you are paying with pre-tax dollars.

HEALTH CARE FSA
Set aside pre-tax dollars to pay for your family’s eligible health care expenses; up to $2,650 per year. You will receive a WageWorks Visa card in the mail for use on eligible health care expenses at approved merchants, including pharmacies, physicians’ offices, and hospitals.

DEPENDENT CARE FSA
Set aside pre-tax dollars to pay for eligible dependent day care (or night care) costs, including care for elderly parents; up to $5,000 per year (based on tax filing status). The maximum election for employees earning $115,000 or more is $2,500 per year.

If married, both you and your spouse must be working in order for dependent care expenses to be reimbursable. Eligible dependents include your child or stepchild (under the age of 13); a child of any age who is physically or mentally incapable of caring for themselves; or elderly persons who are financially dependent upon you.

Visit wageworks.com for more information and to confirm dependent and expense eligibility.

Health Reimbursement Account

Aetna Health Reimbursement Account (HRA) medical plan participants will receive a WageWorks Visa card pre-loaded with a University-provided fund ($600 per person; up to $1,800 per family). The funds may be used on eligible medical and pharmacy expenses.

Participants may register at wageworks.com to view their HRA fund account balance, transaction history, manage preferences, and more.

SPECIAL NOTE
If you participate in both the Aetna HRA medical plan and a health care FSA, you will receive one WageWorks Visa card with both HRA and FSA funds on the card. HRA funds will be used for eligible medical and prescription expenses before flexible spending account funds are utilized.
THE UNIVERSITY PROVIDES A **$600 FUND PER PERSON (MAX $1,800 PER FAMILY)** FOR YOU TO USE ON MEDICAL AND PHARMACY EXPENSES EACH YEAR. THE FUND, ADMINISTERED BY WAGeworks, HELPS YOU PAY FOR YOUR DEDUCTIBLE ($1,500 INDIVIDUAL/$4,500 FAMILY).

EACH TIME YOU VISIT THE DOCTOR OR PHARMACY, YOU CAN PAY YOUR BILL USING THE HRA FUNDS ON YOUR WAGeworks VISA CARD. (YOU WILL BE BILLED AT THE NEGOTIATED RATE.)

ONCE YOUR FUND IS DEPLETED, YOU PAY THE NEGOTIATED RATES FOR YOUR MEDICAL AND PHARMACY EXPENSES ON YOUR OWN UNTIL YOUR DEDUCTIBLE IS MET.

ONCE YOUR DEDUCTIBLE IS MET, YOU PAY COPAYS FOR YOUR MEDICAL AND PHARMACY EXPENSES.

Note: If you participate in a health care FSA, you can use your FSA dollars (pre-loaded on to your WageWorks Visa card) to help pay for medical and pharmacy expenses after your HRA funds are depleted.
