Commonly Used Terms

Balance Billing
Out-of-network providers may bill patients for the balances remaining on the charges associated with services rendered, after the insurance reimbursement amount is paid. You are responsible for the difference between out-of-network billed charges and Aetna’s maximum allowable fee.

Coinsurance
Your share of the costs of a covered healthcare expense, calculated as a percent based on the contracted Aetna rate you pay for services after your deductible is met.

Copayment (Copay)
The fixed dollar amount you pay each time you receive certain types of medical services or prescriptions. Copays vary depending on the service you’re receiving.

Deductible
The dollar amount you must pay for covered health care services before your insurance plan starts to pay. Copayments do not apply to the deductible.

Family
A family plan consists of an employee, a spouse, and at least one dependent child. In all of our plans, once the deductible is met for three members of a family, it is met for all other members of the same family.

Maximum Allowable Fee
An amount determined by Aetna to be the prevailing charge for the service. This amount is based on a national database, complexity of services, range of services and prevailing charge in the geographic area.

Network
All national providers and facilities contracted with Aetna. UHealth providers are all within the Aetna network.

Out-of-Pocket Maximum
The maximum dollar amount you are required to pay out of pocket for medical, behavioral health, Rx during the calendar year. When the amount of combined covered expenses paid by you and/or all your covered dependents (family) satisfies the out-of-pocket maximums, the plan will pay 100% of covered expenses for the remainder of the calendar year. You are still responsible for premiums.

Premium
The amount you’ll be deducted each pay period to remain in the plan.

Usual, Customary and Reasonable
The usual charge made by a physician or other provider of services that does not exceed the general level of charges made by other providers for the same care in the same geographic area.

**NOTE:** All premiums shown are for full-time employees who are non-smokers and whose spouses do not have access to employer-sponsored medical insurance. Visit [benefits.miami.edu](http://benefits.miami.edu) for part-time premiums.

**There is a $350 monthly ($161.54 biweekly) spousal surcharge,** in addition to the premium above, which allows you to cover a spouse who has access to their own employer-provided medical plan. Before making your decision, we encourage you and your spouse to carefully consider the benefits of the University’s plan against your spouse’s own employer-provided plan. If your spouse does not have access to employer-provided medical insurance, please indicate this in Workday to avoid the $350 spousal surcharge.

**There is a $100 monthly ($46.15 biweekly) additional charge added to the UM/Aetna medical plan premium for employees who indicate they are a smoker.** Through the BeSmokeFree program, you can get the help you need to quit smoking for free. Visit [miami.edu/besmokefree](http://miami.edu/besmokefree) for details. If you or you spouse do not smoke, please indicate this in Workday to avoid the $100 additional cost.

Out-of-Area HRA plan: If your home address is outside of Miami-Dade/Broward counties, this plan will appear in Workday as an option for you.

In the Out-of-Area HRA plan, you will pay the lower UHealth copay at any Aetna network provider.
Health Reimbursement Account

Aetna Health Reimbursement Account (HRA) medical plan participants will receive a HealthEquity Visa card pre-loaded with a University-provided fund ($400 per person; up to $1,200 per family). The funds may be used for eligible medical and pharmacy expenses.

Participants may register at healthequity.com to view their HRA fund account balance and transaction history, manage preferences, and more.

SPECIAL NOTE

If you participate in both the Aetna HRA medical plan and a health care FSA, you will receive one HealthEquity Visa card with both HRA and FSA funds on the card. HRA funds will be used for eligible medical and prescription expenses before flexible spending account funds are utilized.

UNDERSTANDING THE HRA

The University provides $400 fund per person (max $1,200 per family) for you to use on medical and pharmacy expenses each year. The fund, administered by HealthEquity, helps you pay for your deductible ($1,500 individual/$4,500 family).

Each time you visit the doctor or pharmacy, you can pay your bill using the HRA funds on your HealthEquity Visa card. You will be billed at the negotiated rate.

Once your fund is depleted, you pay the negotiated rates for your medical and pharmacy expenses on your own until your deductible is met.

Once your deductible is met, you pay copays for your medical and pharmacy expenses.

NOTE: If you participate in a healthcare FSA, you can use your FSA dollars (pre-loaded on to your HealthEquity Visa card) to help pay for medical and pharmacy expenses after your HRA funds are depleted.

Save money on health care

All three of our UM/Aetna medical plans offer the same in-network benefits. The only difference is your premium and how you pay for eligible medical expenses.

If you need help comparing the plans, call HR-Total Rewards, your pay and benefits team, at 305-284-3004.

Take advantage of free preventive care screenings, from well-child visits to annual physicals, well woman exams, and colonoscopies.

Ask “are you in-network?” By using practitioners who are in-network, you can be sure to pay your copayment and deductible. Also make sure the lab and specialists you visit are in-network, even if your in-network practitioner refers you to them. Aetna plan members can visit UHealth, LabCorp, and Quest labs for routine tests and blood work for free (after deductible).

Get a free flu shot to minimize your chances of getting sick. Free flu shots are offered during flu season at the annual HR-Total Rewards fairs, Healthy ‘Canes Employee Clinic, and UHealth at Walgreens.
Pay lower copays for world-class care.
We know the cost of health care continues to rise so it is important that we provide plan options that offer the highest-quality care and are affordable for you and your family. You will find both of these when you choose your own colleagues for care. By choosing UHealth, University of Miami Health System providers and services, your copays and other costs decrease, and you have first-hand knowledge that you and your family are receiving the best care available in South Florida.

CARE YOU CAN TRUST
At UHealth, we have primary care, pediatricians, experts in women’s health, men’s health and virtually every medical specialty you might need. You’ll find experts in neurology, neurosurgery, gastroenterology and cardiovascular services, including robotic and minimally invasive surgery for the heart and other organs. The Sports Medicine Institute specialists care for the Miami Marlins, and our own Miami Hurricanes, and will provide that same superb care to you and the ones you love.

OUR GROWING NETWORK
When it comes to convenience, UHealth care is closer than you think. We are already right where you work. Sylvester’s Radiation Oncology clinic also earned a Press Ganey 2020 Pinnacle of Excellence Award for patient experience and recently unveiled its state-of-the-art Dwoskin Proton Therapy Center, offering the only proton treatment available at an NCI-designated cancer center in the state of Florida.

We’ve launched UHealth Virtual Clinics, a robust platform for telehealth visits in all UHealth specialties. The virtual visits take place over a secure network and provide you with convenient access to UHealth physicians from the comfort of your home. In addition, we have primary care, multi-specialty and Walgreens locations across Miami-Dade, Broward and Palm Beach counties. We understand the importance of having a trusted relationship with a primary care provider in a convenient location.

Aetna is the Pharmacy Benefit Manager and prescription drug coverage is included in the UM/Aetna medical plan. Once enrolled in the UM/Aetna medical plan, you will receive your ID card. This card should be used when picking up your prescriptions. Aetna’s in-network pharmacies include Walgreens, CVS, Publix, Walmart, and many others – 68,000 pharmacies nationwide. To locate a pharmacy near you go to aetna.com.

Each medical plan covers the same prescription drugs, and costs are determined by the four-tier structure below. If the cost of the prescription is less than the copay, you pay the lesser amount. In the HRA plan, prescription copays apply only after you have met your deductible. Formulary changes occur throughout the year. Visit aetna.com to view a list of covered drugs and costs.

Specialty medications may be filled at University of Miami Specialty, Walgreens, CVS Specialty, or any pharmacy in the open specialty network.

Mail service refills are available through CVS Caremark® mail service. New orders or renewals will need to be submitted to the CVS Caremark® mail service.

*If you are taking a maintenance medication—any medication taken in the same strength and dosage for more than 90 days—you can save money and avoid a penalty by filling your prescription in a 90-day supply at any in-network pharmacies such as Walgreens, Walmart, Publix, CVS retail pharmacy, or CVS Caremark®.*
