Commonly Used Terms

**Balance Billing**
Out-of-network providers may bill patients for the balances remaining on the charges associated with services rendered, after the insurance reimbursement amount is paid. You are responsible for the difference between out-of-network billed charges and Aetna’s maximum allowable fee.

**Coinsurance**
Your share of the costs of a covered healthcare expense, calculated as a percent based on the contracted Aetna rate you pay for services after your deductible is met.

**Copayment (Copay)**
The fixed dollar amount you pay each time you receive certain types of medical services or prescriptions. Copays vary depending on the service you’re receiving.

**Deductible**
The dollar amount you must pay for covered health care services before your insurance plan starts to pay. Copayments do not apply to the deductible.

**Family**
A family plan consists of an employee, a spouse, and at least one dependent child. In all of our plans, once the deductible is met for three members of a family, it is met for all other members of the same family.

**Maximum Allowable Fee**
An amount determined by Aetna to be the prevailing charge for the service. This amount is based on a national database, complexity of services, range of services and prevailing charge in the geographic area.

**Network**
All national providers and facilities contracted with Aetna. UHealth providers are all within the Aetna network.

**Out-of-Pocket Maximum**
The maximum dollar amount you are required to pay out of pocket for medical, behavioral health, Rx during the calendar year. When the amount of combined covered expenses paid by you and/or all your covered dependents (family) satisfies the out-of-pocket maximums, the plan will pay 100% of covered expenses for the remainder of the calendar year. You are still responsible for premiums.

**Premium**
The amount you’ll be deducted each pay period to remain in the plan.

**Usual, Customary and Reasonable**
The usual charge made by a physician or other provider of services that does not exceed the general level of charges made by other providers for the same care in the same geographic area.

NOTE: All premiums shown are for full-time employees who are non-smokers and whose spouses do not have access to employer-sponsored medical insurance. Visit [benefits.miami.edu](http://benefits.miami.edu) for part-time premiums.

**There is a $350 monthly ($161.54 biweekly) spousal surcharge,** in addition to the premium above, which allows you to cover a spouse who has access to their own employer-provided medical plan. Before making your decision, we encourage you and your spouse to carefully consider the benefits of the University’s plan against your spouse’s own employer-provided plan. If your spouse does not have access to employer-provided medical insurance, please indicate this in Workday to avoid the $350 spousal surcharge.

**There is a $100 monthly ($46.15 biweekly) additional charge added to the UM/Aetna medical plan premium for employees who indicate they are a smoker.** Through the BeSmokeFree program, you can get the help you need to quit smoking for free. Visit [miami.edu/besmokefree](http://miami.edu/besmokefree) for details. If you or your spouse do not smoke, please indicate this in Workday to avoid the $100 additional cost.

1. A University of Miami physician, UHealth facility, or Jackson Health System facility.
2. You have the option of using an out-of-network provider, but your charges will be subject to balance billing.
3. The first $400 of eligible medical and Rx expenses are covered by the HRA fund with the exception of mental health copayments. Preventive care services will not be deducted from the $400 HRA fund.
4. After deductible, copayments are applied to first office visit, then all office services covered at 100%.
5. Inpatient hospital services include semiprivate room, ancillary service, physician fees/visits, and inpatient surgery.
6. Waived copayment (after deductible) for Jackson Health System Maternity delivery.
7. Emergency room copayment is waived if admitted to the hospital.
8. Coverage for high-end imaging (MRI, PET, and CT scans) is available exclusively at UHealth. Coverage is available outside of UHealth only under certain circumstances such as imaging for children ages 13 and under, imaging performed outside of Miami-Dade/Broward counties, within an emergency room or during an inpatient hospital stay, concurrent with radiation therapy for daily placement, or when open or standing MRI is required.

Out-of-Area HRA plan: If your home address is outside of Miami-Dade/Broward counties, this plan will appear in Workday as an option for you.

In the Out-of-Area HRA plan, you will pay the lower UHealth copayment at any Aetna network provider.
Health Reimbursement Account

Aetna Health Reimbursement Account (HRA) medical plan participants will receive a HealthEquity Visa card pre-loaded with a University-provided fund ($400 per person; up to $1,200 per family). The funds may be used for eligible medical and pharmacy expenses.

Participants may register at healthequity.com to view their HRA fund account balance and transaction history, manage preferences, and more.

SPECIAL NOTE

If you participate in both the Aetna HRA medical plan and a health care FSA, you will receive one HealthEquity Visa card with both HRA and FSA funds on the card. HRA funds will be used for eligible medical and prescription expenses before flexible spending account funds are utilized.

UNDERSTANDING THE HRA

The University provides $400 fund per person (max $1,200 per family) for you to use on medical and pharmacy expenses each year. The fund, administered by HealthEquity, helps you pay for your deductible ($1,500 individual/$4,500 family).

Each time you visit the doctor or pharmacy, you can pay your bill using the HRA funds on your HealthEquity Visa card. You will be billed at the negotiated rate.

Once your fund is depleted, you pay the negotiated rates for your medical and pharmacy expenses on your own until your deductible is met.

Once your deductible is met, you pay copays for your medical and pharmacy expenses.

NOTE: If you participate in a healthcare FSA, you can use your FSA dollars (pre-loaded on to your HealthEquity Visa card) to help pay for medical and pharmacy expenses after your HRA funds are depleted.

Prescription Drugs

Aetna is the Pharmacy Benefit Manager and prescription drug coverage is included in the UM/Aetna medical plan. Once enrolled in the UM/Aetna medical plan, you will receive your ID card. This card should be used when picking up your prescriptions. Aetna’s in-network pharmacies include Walgreens, CVS, Publix, Walmart, and many others – 68,000 pharmacies nationwide. To locate a pharmacy near you go to aetna.com.

Each medical plan covers the same prescription drugs, and costs are determined by the four-tier structure below. If the cost of the prescription is less than the copay, you pay the lesser amount. In the HRA plan, prescription copays apply only after you have met your deductible. Formulary changes occur throughout the year. Visit aetna.com to view a list of covered drugs and costs.

Specialty medications may be filled at University of Miami Specialty, Walgreens, CVS Specialty, or any pharmacy in the open specialty network.

Mail service refills are available through CVS Caremark® mail service. New orders or renewals will need to be submitted to the CVS Caremark® mail service.

If you are taking a maintenance medication—any medication taken in the same strength and dosage for more than 90 days—you can save money and avoid a penalty by filling your prescription in a 90-day supply at any in-network pharmacies such as Walgreens, Walmart, Publix, CVS retail pharmacy, or CVS Caremark®.
